

Dear VICA Member,

Please contact Governor Brown TODAY and urge him to VETO Senate Bill 376, which requires the University of California (UC) to offer contracted workers employment packages that are comparable to those offered for unionized UC employees.

These mandates will undercut the schools' ability to make informed and responsible decisions regarding construction and infrastructure projects. The terms of contracted employment must remain under the UC's purview. As a public institution, UC requires the option to select a bidder based on the best value to the university. This bill could come at a cost of \$60 million for the UC system.

VICA's advocacy page allows members to easily send letters to Sacramento. [CLICK HERE](#) to voice your opposition for SB 376.
