

GHCHS Planner Survey

- 1. How many days in a typical month do you use your student planner for any purpose?*

*A census of the entire 12th grade class revealed that seniors use their planners an **average of 11.4 days** in a typical month. Seniors use their planners at least once on about 60 per cent of the school days.*

Stratified random samples of other grades showed similar levels of planner use.

3. *How often in a typical week do you use your agenda to record homework assignments, tests, or projects?*

Seniors use their planners to record assignments, tests or projects an **average of 3.2 times** in a typical week. Stratified random samples of other grades showed sophomores and juniors record assignments more often on average (3.7 and 3.9 respectively). Evidence exists to show females record more assignments than males.

4. *Do you use your student planner to write down personal activities that are not related to school?*

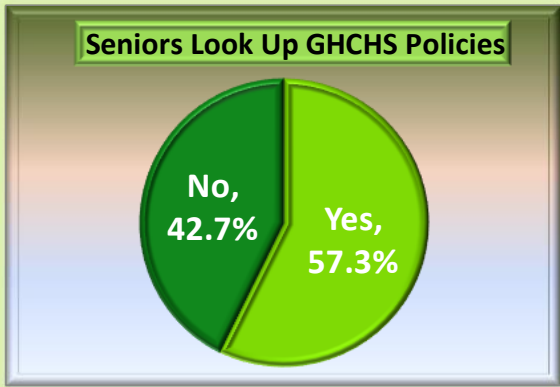

Only 42.9% of seniors use their planners to record personal activities. Stratified random samples of other grades showed even lower rates for freshmen, sophomores and juniors (34.3%, 25.7%, and 23.9% respectively). More sophomore and junior females record personal activities than males, but the opposite was true for freshmen.

5. Have you used the planner to look up any of Granada's policies this year?

A majority of seniors (57.3%) use their planners to look up school policies. A stratified random sample of juniors showed a similar rate.

Policies	Juniors		
	Male	Female	All
	47.10%	55.60%	52.90%

6. Have you used the planner to look up Granada's bell schedule this year?

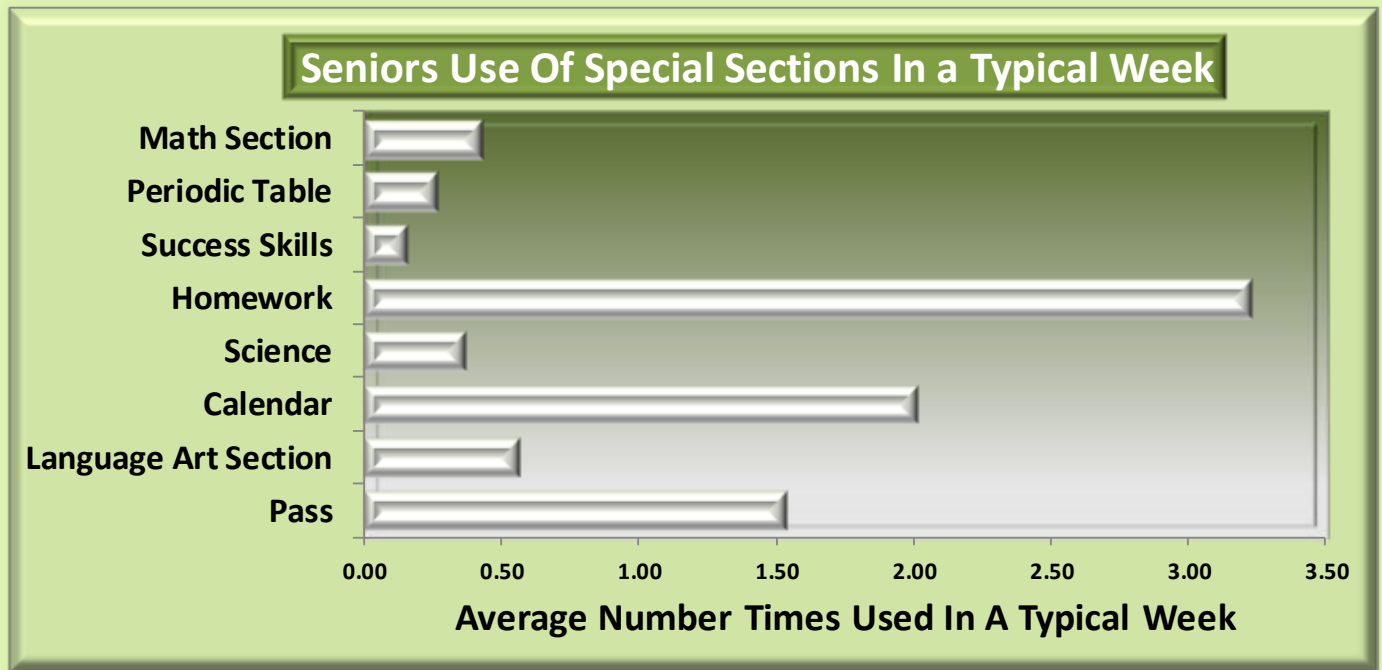

About four out of five seniors use their planners to look up bell schedules. Stratified random samples of other grades showed lower rates for sophomores and juniors (67.1% and 52.9% respectively) but higher rates for freshman (nearly 9 out of 10). Evidence exists to show females look up bell schedules more than males.
