

# INQUIRY PROPOSAL FORM

## ORAL PRESENTATION GUIDELINES

**SLIDE SET#1 – Wordle for Inquiry Proposal Form (IPF) - (Note key terms that jump out of Wordle Image)**

**SLIDE SET #2A1&2,B1&2,C1&2... – Wordle Slides for each foundational source, interspersed with a slide that communicates the following information (one additional slide for each foundational source).**

- ◆ Picture of Author
- ◆ Major career highlight
- ◆ Name of article (date)
- ◆ Most significant influence on academic literature reviewed and/or design of methods (*think: similarities are good*). How & Why??

**SLIDE SET #3A,B,C... – State Your Research Question – First slide is the research question alone. Add no more than three slides to close your presentation with the following information.**

- ◆ Verbally describe the scope of your research?
- ◆ How will your research questions and methods be the same as the foundational sources?
- ◆ How is your research question and methods be different from your foundational sources – use the “gap” word in your presentation.
- ◆ Significance to general public?
- ◆ Significance to other researchers?

**SLIDE SET#4 – Finish With IPF Wordle Slide**

- ◆ “What do you find most interesting about your research so far?”
- ◆ Entice your audience into needing to see your finished product.

“I expect a rehearsed presentation, but not as polished as your final oral defense. No time limit but you should be targeting a solid, informative three minutes – *inform don’t fill.*”

## GOOD LUCK – MR. NELSON!!
